The Beginning of "The End"

Everyone is sitting on the end of the chair, waiting for notifications to start and payouts to be delivered. We don't know what is real and what is really happening. We are here because we believe in happy endings and this Great Shift to Abundance and 1,000 Years of Peace is the biggest and best happy ending story ever told. It has captured our hearts, our minds and our souls were committed lifetimes ago.

How many "Normies" holding "exotic" currency have come and gone throughout the decades? To those that are telling this Most Amazing Story, the saga of loss and pain has been like carrying an endless St. Nicklaus bag, where all the disappointments of others piled in one too many times. It's a heavy burden that we agreed to shoulder only because we could. Because we knew the ending to this story would be One for the Books, that must be told.

The RV GCR LEGACY

It's Moving East to West

"Money is Moving" East to West, same as the time zones travel from Eastern countries to Western, and along with the sun. Today is Tuesday the 4th in US, but it's already Wednesday the 5th in Australia. According to the RV GCR Legacy Story, Australia starts payouts before China. So it is. Today, Wednesday, January 5th, 2022, participating banks in Australia now have approval for release of Paymaster's accounts. The RV GCR participating banks in Australia that have SKR holders and those holding "Money of Account on Hold" notices, have authorization to RELEASE THESE FUNDS. This happy news will no doubt be widely shared within a few short hours, unless something stops it. Australian paymasters are paying out now.

There Will Be People Rioting in the Streets

This was one Legacy that none appreciated hearing. We didn't understand how this could happen. People rioting in the US and all over the world, wasn't something anyone wanted to hear in the mid 90's. Today we all understand that there's a lot to riot about. We are not happy with our governments, the "mandates," or any of the

Marxist Totalitarian actions. No one is happy with graphene suddenly showing up in food, in vitamins, in medicines. People all over the world are shouting, "We're mad as Hell and we're not going to take it any more." Nuremberg, Article 6, Section 3 makes it clear what can be done and what exactly can't. War Crimes judged by Military Tribunals as required by Law, are about to commence.

The Truth Will Be Told

The 7th through the 17th is our 10 days of darkness. During this "10 Days of Darkness," the release of CIA/mafia cover ups will be publicly shared. There is so much dirty laundry, coverups, media lies, courtroom lies; all the truth and nothing but the truth will be shared about:

- JFK Sr and JFK Jr's murders and the "Witness Protection Program" cover up disclosures
- The murder of innocents in Benghazi, <https://www.vox.com/2018/11/20/17996104/benghazi-attack-clinton-obama>
- The Fast and Furious <https://thehornnews.com/obama-cover-fast-furious/> ,
- The back door Clinton/Biden sale of the US' precious assets to line the pockets of a few dirty criminals in the "Uranium One," <https://www.pe.com/2021/12/12/as-clinton-foundation-donations-plunge-questions-raised/>
- ... AND SO MUCH MORE

Normal Banking Will Be Ended

It's all changing and starting right now. Unraveling the fiat US dollar from the global stage, replacing it with the new Sovereign, Gold-backed USN. New Money, new banking rules, will be announced all over the world. Digital Currency, backed by hard assets – gold, silver, oil, gemstones, in-ground assets, all verified by appropriate authorities; will be taking Center Stage. Banks all over the world that can't meet Basel 3 requirements will be either merged or nationalized. There is no center ground. FDIC laid the groundwork here in the United States and now the push is on.

Ever since the 2008 Banking Crisis the US FDIC stepped in with big shoes on the heads of the malefactors, those same bankers that foreclosed on millions of homes, in 2008 – 2009, are all gone now. The FDIC took control under Donald J. Trump, making it impossible for banks to pull any fast ones with depositors. They thought they'd be able to get off Scott Free, but that's not happening.

Borders All Over the World Will Be Changing

Putin spelled it all out over the past few days when Russia took Center Stage in his beautiful speeches, starting with his 4.5 hour Q&A with the Press.

<https://t.me/rtnews/17648> Visit Reuters Telegram channel for Putin's full New Year's Eve statement to his People.

Urgent: Putin submits draft to State Duma on Russian Citizenship, granting Putin power to award simplified Russian citizenship to citizens of #Ukraine, Georgia, Belorussia and Latvia, Lithuania and Estonia.

The USSR is back in. Communism is out. Khazarian Mafia is out. The People of United Soviet Republic now have a New Constitution, based on the Articles of Freedom, same as the US Constitution. It's a Brave New World, not to be confused with the Eugenicists NWO...

The Sovereign Republic of the United States of North America, including all of Canada (with Quebec and Nova Scotia), the US, and Mexico, will be forming a new Union of States. Territories will also include Australia and New Zealand. This (yet to be announced) union will have a new currency. For right now, the US (fiat) dollar, represented by a bankrupt (US INC.) government, is not accepted in any transaction.

The (Texas-based) United States Treasury, under the (yet to be announced) new Restored Republic, has delivered the new RAINBOW CURRENCY to banks, and it will be ready for distribution, (yet to be announced) TOMORROW. Yes, it's here now. We don't have long to wait. So much is changing so fast, and all happening right now.

The Chinese Communist Party Will End

In a FREE SOCIETY Communism must end. There can only be government by free and fair election. Rule by intimidation, by fiat, by Gestapo; is ended. The CCP which owns 50% of every large company in China, is now Bankrupt. EVERGRANDE did the deed handily. The Chinese Government is unable to meet its hundreds of billions of dollars of debt owed to creditors/shareholders and now, in great shame, has to GO AWAY.

Fake news in Hong Kong is reporting that trading in the shares of the ailing Chinese real estate group Evergrande has resumed with Evergrande valuation climbing 2.5 percent Tuesday. Trading in the shares was halted on Monday pending price-sensitive information.

Evergrande (and the CCP as 50% owner) is burdened with a huge debt burden and already missed payments in December. This announcement of CHINESE COMMUNIST PARTY (Inc. – another fake corporation assigned under the Vatican), is in default, bankrupt, kaput, gone. To be replaced with a new Eastern Union of Sovereign Nation States.

Every National of Every Free Nation Will Receive a Monthly Check

Universal Basic Income has been discussed in many venues. What's not discussed is "where is this money coming from?" Those of us in this RV GCR understand, Money is No Thing. The amount of "money" required to pay for this monthly stipend is like a particle of sand in the desert.

There's enough money to manage this today and forever. We will see this managed easily through New Digital Banking Accounts, established in each Free Union of States. We're on the cusp of this movement and it's needed to aid in this banking transition. This money for everyone's benefit managed via the Quantum Banking System under the New Starlink Satellite Internet, is set to start January 20, 2022. That's a short 3 weeks away.

Admiral's Tier 4 Starts Everything

The payouts for CMKX, for Fines and Penalties, have been confirmed. No More Money on Hold on Account. No more Waiting for Release. This money has been released. Payouts for German Bonds and others, including the Tier 1, 2 and 3 – the Royal Families and the "Sovereigns" with all expecting money, is paying out right now in Eastern Countries – starting in Australia and moving from East to West. If this payout moves forward today as expected, then Admiral can start paying Tier 4A and Tier 4 B notifications will immediately start.

We owe a HUGE THANK YOU, Iraq for moving forward with its revalued IQD in-country rate! And to all of the Sovereign Nation States, taking the lead here. The Iraqi's new Golden Dinar will take the global stage sometime through the 10th to the 15th even though they have announcements planned for the 22nd. The plan at this time is to go GLOBAL immediately with an impressive rate of over \$6.00 US.

The (Corporate) Government Throughout All United States and It's Territories Will All Step Down

This is NESARA and must happen, same as we saw in Russia. The elected officials exit and new elections take place. The departure of the Biden Administration must be done right, leaving no stone unturned, and harming no innocents. The First (Public) Constitutional Convention in Texas will be held as quickly as possible, electing a new and much smaller government according to the Original Restored Constitution of 1776.

This affects the scheduled Supreme Court hearing, set to begin on January 7th on the Covid 19th Unconstitutional Mandates. All of these cases become obsolete immediately. The obsolescence of all the many things presently and formerly harming We the People: of penury, of ill health, of poor education, of forced mandates; all to be resolved. It starts right now.

This news will follow quickly. Stay tuned.

Recent moves make final cabal defeat in 2022 probable

Benjamin Fulford Report - January 3, 2021
www.BenjaminFulford.net

There are multiple signs that a final defeat of the Satanic Khazarian mafia is likely in 2022. The year 2021 year of the bull featured a largely successful defense against a Khazarian mafia plot to kill 90% of humanity. Now, the year of the tiger means we go on the offensive and destroy the final remnants of this ancient, evil cabal.

The key to victory is to locate and apprehend David Rockefeller Jr. and other members of the Rockefeller family in order to end their control of the Fortune 500 companies, including the pharmaceutical corporations promoting the fake pandemic and related vaccine fascism, Mossad and CIA sources say. Until this happens, the corporate US government, their fake Joe Biden regime and treasonous governments in the G7 remain the heart of darkness on the planet earth.

While most of the world has been protected from the Khazarian mafia attempt to kill six billion people, Asian secret society sources describe what is happening in the US and other Western countries as a “murder-suicide.” The masters of the ancient system of Babylonian slavery would rather kill their slaves -including the Jews- than lose power, say Asian secret society sources who have been trying to force the Satanists to surrender.

This is not rhetoric. Scott Davison, the CEO of Indianapolis-based insurance company OneAmerica, says the death rate among people aged 18 to 64 in the US is up a horrific 40% from pre-pandemic levels.

https://www.thecentersquare.com/indiana/indiana-life-insurance-ceo-says-deaths-are-up-40-among-people-ages-18-64/article_71473b12-6b1e-11ec-8641-5b2c06725e2c.html

The overwhelming scientific evidence shows this death rate is being caused by vaccines. Since this has been extensively documented by others - notably John F. Kennedy Jr, in his well-documented book- we will not deep dive into the evidence here.

However, we do note: The World Council for Health declares that it is time to put an end to this humanitarian crisis. Further, the Council also declares that any direct or indirect involvement in the manufacturing, distribution, administration and promotion of these injections violates basic principles of common law, constitutional law and natural justice, as well as the Nuremberg Code, the Helsinki Declaration, and other international treaties...

<https://spreadophilia.wordpress.com/2021/12/29/world-council-for-health-calls-for-an-immediate-stop-to-the-covid-19-experimental-vaccines/>
<https://worldcouncilforhealth.org/campaign/covid-19-vaccine-cease-and-desist/#continue-reading>

Action is being taken. The UK government has assigned a police task force to investigate vaccine crimes by senior members of government agencies.

https://www.theepochtimes.com/uk-government-officials-face-police-investigation-over-covid-vaccines_4171032.html

The international criminal court is also being presented with detailed evidence of the biggest mass murder crime spree since World War II. Hopefully, the death toll will be lower than that.

The rest of the world, fortunately for them, is paying less of a price. In Japan -where the government found and destroyed 3.6 million vaccine doses “contaminated with foreign substances”- the death rate is actually lower than normal years. In places like Africa, where governments refused to go along with either the fake pandemic or the vaccines, life expectancy and population are actually increasing.

Despite the grim news in the West, the intelligence agencies and the aware military there are continuing their offensive against the Khazarian cabal.

“This news headline is a clear sign of this:

U.S. Defense Secretary Austin tests positive for COVID-19, symptoms mild”

<https://www.reuters.com/world/us/us-defense-secretary-austin-tests-positive-covid-19-mild-symptoms-2022-01-03/>

“We know what this means.... He has been picked up and is under questioning by the White Hat / Military Alliance,” a Pentagon source says. “

“We are dealing with the death throes of a 3000 year old Babylonian empire. These people will not go quietly, they will try to take everybody with them,” MI6 sources say noting “They seize power by taking over the very tip top of society through a combination of murder, bribery, propaganda and blackmail.”

MI6 describes the sort of horrific acts carried out by the top Babylonians: “When the two world trade centers were built, David Rockefeller presided over an orgy where they killed children and had sex in their blood.” MI6 adds “We have a video of the ceremony where they cut off children’s heads and have sex with the head.” Now you can see why David Rockefeller Jr. is a person of interest.

Inviting people to such events and filming them means “They have a file on everybody in the world, basically everybody is blackmailed. It is a compromise and control network,” the agency notes.

The other way they have kept a stranglehold on Western society is through the control of money. The article linked below, for example, shows how doctors in New Zealand are paid “\$1,000 plus expenses” for each person they kill through euthanasia.

<https://www.wnd.com/2021/12/shock-doctors-given-bonus-euthanize-severely-hospitalized-covid-patients/>

<https://creativestructionmedia.com/news/2021/12/26/report-new-zealand-authorizes-euthanasia-for-covid-hospital-patients/>

Western medicine operates under a military hierarchy and doctors who fail to obey are stripped of their “licenses” and become unable to earn a living. Those who obey and vaccinate, are given large amounts of money.

This follows the money adage applies to politics, corporations, media etc. as does the blackmail.

As grim as the situation may seem in the West, the white hats have already hunted down and executed many of the top Satanists. As a CIA source puts it:

For all those folks who think mass arrests are not happening. Ask yourself this question, why are they installing a second courtroom for war crimes in GITMO and having two military judges working simultaneously? There are thousands more cabal members that need to be processed. This news release is just leaking out the truth slowly.

<https://dailycaller.com/2021/12/30/pentagon-retreats-from-transparency->

at-guantanamo-bay-builds-new-room/

However, there are also items in the news that make it appear the Satanists are still very powerful. This one from last week is one such example:

Tony Blair to be given most senior knighthood in new year honors list. The former prime minister will be made Knight Companion of the Most Noble Order of the Garter by the Queen.

<https://www.theguardian.com/politics/2021/dec/31/tony-blair-to-be-given-most-senior-knighthood-in-new-year-honours-list>

“This is unbelievable. Something does not seem to be correct. Tony Blair is one of the evilest warmongers still breathing. Who is behind Q E pulling the strings now on her behalf? Or is this his last award before being marched off to military tribunals?” was how a puzzled Mossad source reacted to the news.

A message from Queen Elizabeth explained that Tony Blair was given this high reward due to outstanding –but secret- services to the British Empire.

An MI6 source who personally knows Blair –and says he is not a very nice person- claims he was rewarded for helping dismantle the German fourth Reich. Remember, 911 was a Nazi Reichstag fire that led to the US becoming a fascist state. Thanks in part to the secret testimony by Blair, the Bush family was executed for treason while the German Pope Ratzinger and Angela Hitler (Merkel) were removed from power. The Nazi infiltrators of the top ranks of the British bureaucracy were also removed - paving the way for Brexit.

Now Betty White -another top Satanist- has been permanently removed from this earth.

Here is a bullet point summary sent by the CIA:

- Betty White is Barbara Bush’s sister.
- The Bush’s created the OSS/CIA and
- 322 Yale Skull and Bones.
- Barbara Bush and Betty White are the daughters of Aleister Crowley
- <https://jellyfish.news/aleister-crowley-and-the-bush-connection/>
- Barbara handled all the politicians for the CIA
- Betty handled Hollywood for the CIA.
- Betty is/WAS {SNOWWHITE} The
- QUEEN of Hollywood and the CIA’s
- Adrenochrome harvesting/child
- trafficking network.
- “Snow White. CIA Dream”-17
- {Betty White Crowley}
- Here is a quote to remember White by: When asked what age she started driving, without skipping a beat, she said, “I think I was 4. No, no, no. That was something else! That’s when I lost my virginity!”

https://www.etonline.com/news/162968_how_betty_white_got_a_black_eye

“This is what Hollywood does to mitigate and obfuscate the truth in plain sight...they turn it into a public joke to mock us. Just like Ellen Degeneres did at the Oscars when she ordered a bunch of pizzas for all the elites in the audience to eat on camera to mock PizzaGate,” a CIA source notes.

<https://youtu.be/CtoIHpkkPIA>

<https://www.dailymotion.com/video/x1eb6mm>

“Or when Jim Carrey came out on the Jimmy Kimmel show flashing the triangle hand symbol, and did a tongue-in-cheek mockery about how they are all members of the Illuminati occult. His Hollywood career came to an end shortly after this as you know,” the source continues. The interview is below on YouTube.

<https://youtu.be/eG9i7d8yfKQ>

They have the power to get the sheep to laugh WITH them, thus rendering it a silly notion

<https://jellyfish.news/aleister-crowley-and-the-bush-connection/>

Speaking about sheeple, we note that Ghislaine Maxwell was found guilty on 5 of 6 counts in the Epstein sex trafficking case.

The real story -according to a Mossad affiliated contact in NY- is that Maxwell, who already flipped sides months ago, has turned over volumes of incriminating documents to the Alliance. This will send hundreds of senior satanic cabal members to Gitmo for processing and execution. “Watch for Ghislaine to commit suicide or have a fatal heart attack in jail very soon. Don’t worry, she is already in a safe and very secure location, with the Alliance,” the source says. That is the real reason why important details about the case were sealed by the judge, he notes. “The entire court proceeding was a circus show for the sheeple,” he concludes.

In any case, the fact that our visual entertainment has migrated away from traditional Hollywood and towards streaming services like Netflix shows the clean-up of the “celebrity” world is well underway. This was thanks in large part to double agents like Jeff Epstein and Maxwell.

The next big priority is to finish the detoxification of the financial world. This has to do with the Rothschild controlled, rigged Libor (London Interbank Offered Rate) interest rate control mechanism. While no new contracts are allowed to use Libor, there are still about **\$230 trillion in contracts that rely on it. “It’s one of the biggest transitions in financial markets in decades,”** says Dixit Joshi, group treasurer of Deutsche Bank .

<https://www.zerohedge.com/markets/have-regulators-really-defused-year-end-230-trillion-libor-derivative-time-bomb>

When we asked the person who originally blew the lid on Libor about this he said: The illicit financial system is based on a computer system in Antarctica run by a person going by the code name ‘Ian Fleming’...Ian Fleming is the computer technologist protected by MI6 by way of a gentleman by the name of Scot Lennon. We have his details...The fraudulent computer mainframe which launders money to pay for fifth columns including the so-called public health emergency –another WMD [Weapons of Mass Destruction] scam- is owned and controlled by various factions in retreat from us...

By simply using these names you will see the very vast majority of the criminal conspiracy to genocide run to the hills. The rest the military can deal with.” We have run across Scot Lennon before and know he is one of the last surviving members of the Majestic 12 group set up by President Dwight Eisenhower to deal with “aliens.”

The fact that two-thirds of the Belgian Antarctic base’s staff just “got infected with Covid 19” appears to be related to this. We assume it was special forces who “infected” them.

<https://www.brusselstimes.com/belgium-all-news/199687/belgian-scientific-base-in-antarctica-engulfed-by-covid-19-despite-strict-measures>

In any case, as this news item shows, unless the West hurries up and removes its Satanic infection, China is going to leave us in the dust:

China’s “artificial sun” ran for 20 minutes at a whopping 70 million degrees in its latest experiment – five times hotter than the real sun.

<https://www.the-sun.com/tech/4376795/china-artificial-sun-experiment-five-times-hotter-real-sun/>

The prospect of free energy is something that cannot be understated. If properly harnessed it would allow for users to increase the amount and variety of life exponentially: a trillion fold, a quadrillion fold or more. The amount of carbon available will be the only growth constraint to the new Cambrian explosion.

The Quantum Financial System

Week 37 Message for the Angelic Warrior Group
Archangel Michael via Sharon Stewart - January 2, 2022
www.sharonandivo.weebly.com

I am Archangel Michael with a message for the Angelic Warrior Group.

As we turn the page on another year, we must look back at what we have achieved. Now we have more than a thousand people meeting up to see what their weekly assignment is for this group. We have unity, we have built a unified group that is ever expanding to include more and more people. We will link into the Sisterhood of the Rose group that meditates every month on the full moon in order to become a part of that larger group.

We are building unity. We are working together to help Mother Earth.

The QFS (Quantum Financial System)

Those on the surface are accomplishing their tasks as well. The financial system has now turned over to the QFS (Quantum Financial System) and the Corporation of

America has declared bankruptcy. The wins will begin to increase now as the first hurdles of this journey have been accomplished.

It is as if you have been in the car, climbing the large hill on your roller coaster. We are at the top now, looking down and gaining momentum.

We have unified so many hearts and more and more are joining. The angels of God's kingdom are sounding their trumpets in joy.

This week's task again, is to focus on the 5D grid and bringing it into alignment with humanity on earth. Your time and your prayers, meditation and positive thoughts are so appreciated in the accomplishment of this important task.

I am Archangel Michael. I am your guide. I am your soul. I am your heart. We are Legion.
Adonai, Michael.

Very Soon The Dam Will Burst

Sananda via James McConnell - December 22, 2021

21.08.22 – VERY SOON THE DAM SHALL BURST – Ancient Awakenings

I am Sananda. I come at this time to continue to help you understand all that is happening in your world, all that is happening behind the scenes.

You have heard this many times. Things are happening behind the scenes. Many things that you are not aware of. Even you, the Lightworkers and Light-Warriors, are not even aware of much of this. For there is an expression that is happening. An expression of light with the Alliance here, and all of those associated with the Alliance that are bringing the changes about without you even knowing it, without the world population even being aware of what is occurring.

We have given you the analogy before of a chess match. Those of the forces of darkness are playing regular chess on a chess board, just as you have done many times playing chess. But those of the Alliance and, even more importantly, that one that is strongly associated with the Alliance, that one that was the President, is the President, and will continue to be the President. He is playing, and they are playing, at a 5D chess level.

They are so far ahead in their planning. And, of course, this is all a part of the universal plan, which they are aware of some of that, and are bringing that forward as much as they can, whenever they can. Whenever the vibrations match the 5D

moves that they can make, they make it. So while the forces of darkness are continuing to use their old game plan, the same old game plan, those of the Forces of Light are working at a higher 5D expression game plan.

So you can begin to understand the ramifications of all that are involved here, where they make one move, and those of the Alliance are ahead by five or ten moves or more at once. They know the plans. They know what is coming. And they alter those plans whenever they need to. That is happening more and more and more now.

But what is also happening is those of the forces of darkness are being drawn out of the dark. They are being brought into the light. Many of them shy away from the light. It is in your fables with the vampires. They do not want to be in the light, so they look for pockets of darkness. But those pockets of darkness are being taken away from them—by all of you! By you, the Lightworkers and Light-Warriors that are spreading the light, that have been anchoring the light and spreading the light, spreading the truth, bringing the truth forward.

For it has been said, “no rock or stone will be unturned, the truth shall indeed set you free.” The truth, my friends, my brothers, my sisters, is coming, more and more and more. You have heard about announcements: they are coming, more than you can even imagine at times will come forward. That time, that vibration, has not been met just yet, so it is coming through in trickles now, little bits here and there.

But eventually, just as when you take a large dam that is holding back a deluge of water, holding it back, and there is a pinpoint that opens up in that dam and begins to allow water through it. And then more and more begins to break. And eventually the dam completely breaks, and the water cascades through. That is what you are looking at. For there are many pinpoints now within the dam. Water is seeping through. Truth is seeping through. Light is seeping through everywhere where there is darkness, where there are untruths.

Very soon the dam will burst. The truth will come flooding out. Those of you that we have been preparing for these truths, we have been acclimating you to these energies that have been coming into the planet. All of you that are being prepared for this are in the forefront, are the Wayshowers, to show the others, the ones who are coming after you. You will be showing them the way forward, just as we have been showing you the way.

As we have said many times, you are all being prepared to be the next Ascended One. To be the ones that are in our position right now. You will be the ones that will be coming to those who come after you. You will assist them, and they will assist others after them, and so on.

Will all make it through? Most likely not. For all are not destined at this time to find their ascension. Can all do so though? Yes. If one decides to go against their contracts that they came in with, then they can move into the light as well, and become a part of the light, just as all of you are, the working part of the light.

I am Sananda, and I leave you now in peace, and love, and oneness. That you continue to add to the crystalline Christ Consciousness Grid by raising your vibration, by putting on your 5D glasses and feeling the joy in the moment. For as I have said, every time that you do this, you send more and more light into that grid. And as more light floods into the grid, pockets of darkness that still yet exist will be eliminated. And those that will not turn to the light shall be consumed by the light.

How Can I Love Myself More?

Archangel Gabriel via Shelley Young

As many of you consider making New Year's resolutions, we suggest you simply commit to asking the following question on a daily basis: How can I love myself more?

A complete self-love practice contains the following four elements – self care, self acceptance, self acknowledgement, and self respect. These elements work together to provide everything you could possibly need for your expansion and healing, and the embodiment of any desired shift you wish to make in your life.

From the space of a complete self love practice any changes you need to make will be made willingly rather than feeling like a denial of self that you will feel resistant to. It will be a flow that will continually support you in living your highest life expression. Our greatest wish for you moving forward is that you will finally stop holding yourself separate from your own tender care and guidance and commit to supporting yourself in your own glorious unfoldment, one loving choice at a time.

The Full Potential of Unfoldment in 2022

What does freedom, what does soul expansion, what does joyful self expression look like to you? An even better question might be what do they feel like to you, because these are some of the core traits of 2022 and beyond. You don't need to know the exact details you just have to be open to the discovery of your truest matches that make your soul sing.

That is how you allow the full potential of unfoldment and open to receive the gifts it holds for you. The universe has been excitedly waiting to watch you open those presents!

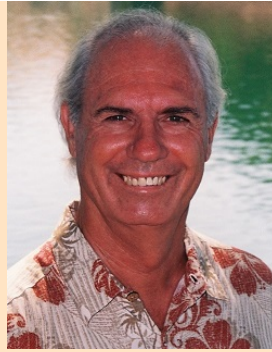

As you step up into the energies of the new year, if you simply commit to allowing your life to get as big and beautiful as it wants to be, you will be setting yourself up for the most marvellous new experiences and brand new levels of attainment.

You are fully supported in stepping into your fullest, ever-unfolding, glorious expression of self, so embrace the wonder of where you have arrived and all the up-levelling that is now possible for you.
