The Rockefeller "rules-based-world order" circles the drain of history

Benjamin Fulford Report - January 31, 2022

Payback is a bitch. The Rockefeller clan, the greatest mass murderers in human history, are finally facing justice. Mass demonstrations across occupied Europe and now action by truckers in North America is a sign their satanic rule is collapsing.

https://benjaminfulford.net/wp-content/uploads/2022/01/canadian-truckers.mp4?_=1

Today is January 31st, a payment deadline the Rockefellers have to make. All signs indicate their check has bounced. They now have until February 18th to come up with the money or be bankrupted.

What money are we talking about? The Rockefeller proxy fake Biden regime ran up a record \$1.08 trillion trade deficit in 2021 and added more than \$2 trillion to US federal debt to bring the total to \$30 trillion. That means they need to come up with \$3 trillion or their entire fake regime collapses.

Remember, their clan, -headed by the fugitive criminal David Rockefeller Jr,- control what they call the "rules based world order." Whose rules? Their rules. Their servants run the UN, the World Bank, NATO, the Fortune 500 companies etc. Remember the heads of these organizations were appointed, not elected. So, when the Rockefellers are bankrupted, it will mean all of these power centers will revert to the control of the people.

Even if they manage to get their Chinese Communist Party servants to hand over the Chinese people's money; that still will not save them. That is because the Chinese Communist Party, reeling under \$118 trillion of debt, worth 833% of their GDP, is also bankrupt.

Even if they use fiat money and fake accounting to pretend they are still solvent, that will not help because they are being hunted. The Rockefellers murdered the Tsar of Russia and his family after he refused to grant them oil concessions. The Khazarian mafia then started a reign of terror that killed over 50 million Russians. Russian

patriots are now getting their justice and have begun systematically hunting down the entire extended Rockefeller clan and their servants, according to FSB sources.

Speaking about servants, let us talk about their fascist/communist servant Justin Castro of Canada. Thanks to the patriotic truckers who descended on Ottawa, he is the first Prime Minister in Canadian history to run into hiding from his own people.

This is a message to David McGuinty, who I went to high school with and who heads Canada's secret services: "If you do not want to face a Nuremberg-style tribunal for war crimes, then you need to grow a pair and arrest Castro." Just like Adolf Hitler, Castro only got 33% of the popular vote and yet he is using that to try to turn Canada into a fascist dictatorship. The Canadian military did not win at Vimy ridge just to see Canada taken over by a brother murdering fascist foreign agent. Here is my advice to the Canadian military: take Castro up on his bluff and "follow the science." Send military police into hospitals around the country and check facts with front-line doctors. You will find Castro and his fellow fascist/communist agents have been using a renamed common cold (which is a coronavirus) to destroy democracy in Canada and vaccinate Canadians with dangerous substances. You can start your fact-checking here:

"Military Vax Data Rocks DC: Catastrophic Injury Toll Exposed At Sen. Johnson Hearing"

https://www.redvoicemedia.com/2022/01/military-vax-data-rocks-dc-catastrophic-injury-toll-exposed-at-sen-johnson-hearing/?utm_source=home-headline

Remember, Canadians who support vaccinations do so only because the controlled media has told them lies about the so-called pandemic. Also, ask yourselves why your top generals were removed based on lies and innuendos, and replaced with puppets. Do not trust anyone who has not personally seen combat. Whatever you do, refuse to take action against your fellow patriot truckers and farmers now fighting to liberate Canada. Here is a message from one of the protesters in Ottawa: "Canada just woke the f**k up!!" Long live free Canada.

OK, now let us look at how Khazarian mafia rule is collapsing around the world. The first thing we notice is that truckers around the world are now emulating Canada and preparing to stop economic activity until the Khazarian criminal puppet regimes are removed.

<https://www.zerohedge.com/political/truckers-across-planet-unite-convoy-against-medical-tyranny>

There are also huge, demonstrations going on all over Europe. Here is just one example from Belgium where a million-person protest is being held in a country of 11 million people.

https://www.youtube.com/watch?v=AZ3_ZAC6x5I&t=63s

The scale of the protests means many former top members of the Khazarian mafia are now surrendering and agreeing to a peace and reconciliation process. For example, Nathaniel Rothschild contacted us again to say he is working with [US President Donald] Trump directly. He is spending most of his time at the Thule US

Space Force Center. There is a massive underground base there. (Also the underground prison is located nearby).

Nat has made a deal with the Alliance and turned his fortune over to them. He has already given \$50 billion for use in the project in the region. His fortune is estimated at several trillion dollars. The exact amount is classified. Nat distanced himself from the British side of the family and was nearly taken out because he wanted out of the family business. He has a body double who attends most meetings regarding his new company Volex. Take a look at the 2 attached photos. One is Nat a year ago when he went to Sri Lanka. The other photo is fairly current and is his double.

The French side of the family is called De Rothschild. They were behind the attempted coup in Kazakhstan. Their mercenaries were eliminated thanks to Russian President Vladimir Putin.

Russia is now fighting to liberate Europe from Rockefeller and NATO control. The battle over Ukraine is really a war to liberate Europe, according to the Russians and their British allies.

Over 80% of Russia's gas exports to Europe go via Ukraine. The Rockefellers and their French De Rothschild allies installed a puppet regime there to stop the flow of gas and force the Europeans to buy expensive Rockefeller-controlled gas.

Yevgeny Fyodorov, a big-time Russian politician, explains the situation at the interview linked below.

<https://thesaker.is/the-other-side-of-the-story-russias-view-on-geopolitics-war-and-energy-racketeering/>

He explains the Rockefeller battle to stop the gas from flowing directly to Germany via the Nordstream II pipeline is a battle for European independence. If the Europeans buy gas from Russia, they would be paying \$300 per cubic meter in long-term, stable contracts. Instead, the Rockefellers are trying to force them to pay \$1000 per cubic meter of gas they control.

Now that the Ukraine is being liberated, France and Germany, which both existed as independent countries for over 1000 years, will once again become independent, Russian FSB sources say.

Here is what Russia plans to do according to Fyodorov: Bring Ukraine back to Russia, restore the Soviet Union, restore Yugoslavia and nationalize the Russian central bank. Fyodorov explains that the current central bank is a subsidiary of the IMF.

According to MI6 and CIA sources, the capture of Swiss Rothschild family head Klaus Schwab and EU central bank head Christine Lagarde means the IMF is now ready to work with Russia to replace the EU with the 47 member Council of Europe. This is how Russia looks at the fake pandemic.

https://benjaminfulford.net/wp-content/uploads/2022/01/belarus-president.mp4?_2

The weapons, slave and drug dealing business known as NATO will be replaced with something that actually involves European security under this arrangement, the sources say.

MI6 is doing its part to make this happen by removing Khazarian mafia agents in the UK and the rest of Europe. A senior MI6 agent explains that the removal of Angela Hitler (Merkel) from power in Germany was the key. "If Merkel is gone then [French President Emmanuelle] Macron is gone," the source says. That is why the French De Rothschilds tried to create a new home for themselves outside of France with their failed attempt to take over Kazakhstan.

In the UK, according to MI6, former Chief Cabinet Secretary (and secret ruler) Simon Case "has been executed." Also former MI6/Secret Intelligence Service (SIS) head John Scarlett "was assassinated last week," the source says. "They attempted stealth state capture, they committed high treason. The whole thing is imploding upon itself. It is a bit like dealing with an amateur Nazi force," MI6 explains. "It is about asserting personal sovereignty. You have to stand up to bullies. Don't let Pfizer run around and tell you lies. They are bullies, they are paid bullies," they continue.

The crackdown on Pfizer and other pharmaceutical Khazarian lackeys is continuing worldwide multiple sources agree.

For example, Anthony Fauci, the chief pandemic pusher in the US "has been executed at Gitmo," according to CIA sources. The one now appearing is a double, the source says. The following photograph was sent as evidence.

https://benjaminfulford.net/wp-content/uploads/2022/01/photo_2022-01-31_19-00-04-139x300.jpg

The fake trump who is pushing vaccines has also been exposed, as this CIA photograph shows.

<https://benjaminfulford.net/wp-content/uploads/2022/01/fake-trump-300x213.jpg>

Speaking about the CIA, the Rockefellers have been trotting out former CIA head Mike Pompeo to say:

"Chinese leader Xi Jinping wants global domination—hegemony for the Chinese Communist Party," warning that the rise of the Chinese Communist Party (CCP) could destroy the rules-based international order in place since the end of World War II.

https://www.theepochtimes.com/xi-jinping-seeking-global-domination-mike-pompeo_4235829.html?utm_source=partner&utm_campaign=ZeroHedge

The problem is this Pompeo is "a double without a doubt," according to CIA sources, as the photos below make obvious.

<https://benjaminfulford.net/wp-content/uploads/2022/01/pompeo-300x202.jpeg>

<https://benjaminfulford.net/wp-content/uploads/2022/01/pompeo2-300x225.jpeg>
<https://benjaminfulford.net/wp-content/uploads/2022/01/pompeo3-241x300.jpeg>

The double is wearing a boot (with a GPS monitor). The real Pompeo is totally off the radar. He has accepted the Truth and Reconciliation deal from the Alliance. He has turned over all data files, and USB drives that he acquired as Agency director and as Secretary Of State, to the Alliance. He is currently in a very safe location helping the Alliance,” the CIA says.

We also got information from Australian intelligence about the situation in their region. First New Zealand’s Prime Minister, Jacinda Ardern, “has gone into self-isolation.” “Looks like the grin is off his/her face now. Time to decide to cooperate or go to Gitmo, sure looks like Jack Ardern to me,” the source says.

https://benjaminfulford.net/wp-content/uploads/2022/01/photo_2022-01-31_18-14-51-300x217.jpg

<https://www.theguardian.com/world/2022/jan/29/new-zealand-jacinda-ardern-isolates-after-possible-covid-exposure>

The battle to liberate Australia is also raging. The Australian intelligence source reports the situation there as follows:

“Melbourne is the dragon’s head for pedophilia and child trafficking in Australia. There is a very large underground base beneath the city. With a submarine base that goes into the sea. Melbourne and Victoria is 100% controlled by the satanic cabal, as is all of Australia. Prime Minister Scott Morrison is under the control of the Cabal as well. He will resign soon due to health reasons. Premier Dan Andrews now has a double. The real Andrews is gone.”

Speaking about gone, we also note that “Pop megastar Elton John on Tuesday postponed two concerts in Dallas — part of what is expected to be a lengthy farewell tour — after testing positive for Covid-19.”

<https://insiderpaper.com/elton-john-tests-positive-for-covid-19-postpones-dallas-concerts/>

“He has been arrested as well. He is a known pedophile,” a CIA source explains. China is also on the case, as this news item shows:

BEIJING: Chinese authorities summoned officials of AstraZeneca China regarding an investigation of suspected medical insurance fraud by the company’s employees, the National Healthcare Security Administration (NHSA) said on Saturday (Jan 29)... employees in the southern city of Shenzhen had altered or participated in altering patients’ testing reports, and were suspected of medical insurance fraud.

<https://www.channelnewsasia.com/asia/astrazeneca-china-summoned-suspected-fraud-2468051>

A similar series of arrests have also taken place in Japan as foreign agents and their lackeys have been rounded up for faking positive test results and murdering people in hospitals, according to Japanese police agency sources.

We also note that Rockefeller employee and WHO head Tedros Ghebreyesus is now publicly saying that vaccines are being used to kill children.

https://benjaminfulford.net/wp-content/uploads/2022/01/use-vaccines-to-kill-children.mp4?_=3

Clearly he has been turned.

Rest assured, it is only a matter of time now before all pandemic pushers are either arrested or turned.

So, with the pandemic attempt to create global fascism blowing up in their faces, more signs are emerging that a space opera is next. As evidence, here are videos of some recent "UFO" sightings.

"We Are United!" - Canadian Trucker Convoy Angelic Warrior Group Week 41

Archangel Michael via Sharon Stewart - January 31, 2022
www.sharonandivo.weebly.com

I am Archangel Michael with a message for the angelic warriors of the Light. We are witnessing a grand event unfolding before our eyes: the unification of all upon the planet.

Yes, I am speaking of the Canadian Trucker Convoy which started on the west coast of Canada and picked up momentum as it traveled eastward toward the capitol. Many others have taken up solidarity with the Canadian truckers by either joining them from the U.S. or organizing within their own respective countries.

Do you see what is happening here? In the physical? Minds are merging as one mind with one common goal: freedom and cessation of the globalist agenda. We are witnessing a turning point. By virtue of the fact that social media allows for filming and the citizen photographers who are videoing these events, they are communicating a message to all others upon the planet: We Are United.

It is a wondrous moment for us all to behold.

You see how the agenda has affected people, and this is not entirely negatively. It has unified you across the world. It is wondrous to behold, absolutely marvellous! This is a special moment indeed.

And you see the DS (Deep State) reaction to your unification: they (Trudeau) go into hiding in order to protect themselves. This is wonderful for us to watch. You are watching the beginning of their end. Right now.

For this reason, this week, we would ask you to send love to your 18 wheeling friends in Canada and in your own countries. Thank them for their efforts, thank them for taking a stand, thank them for representing you when you could not be there yourself. Please continue to fund this movement, because it will develop and morph into something even more beautiful, something more representative of many factions of the people.

Stand behind those who stand with you. Send your loving energy to this movement, and all other movements you know of on earth to arrest the DS, movements that are forging new pathways for the people on the planet.

I am Archangel Michael, witnessing this miracle now with you. We stand hand in hand. We are Love. We are Light. We are Legion. Adonai.

Message from Mira of the Pleiadian High Council

through Valerie Donner - February 1, 2022

www.TheGroundCrew.com

Greetings, I am Mira from the Pleiadian High Council serving full-time on the Earth Council. You currently find yourselves in an uncomfortable state on the planet Earth. It is not simply Mercury Retrograde this time, but a combination of energies that the dark forces have used to try detaining you from your missions. I am here to establish that their ploy will not work. Their narratives are already failing. More than half of the population has awakened enough to question everything. Little by little their failures are piling up. They are appearing to us as a heap of trash to which we would like to apply a match!

They have underestimated you, us, and all of creation who are here right now to watch their downfall. Their old rules no longer apply. They have no more power. They are using what resources they have left to try to make life challenging and to get you to give up. You have been double crossed at every turn, but you are onto them, and the rest of humanity is beginning to see.

You will find others in your lives beginning to have trouble accepting the truth because they have been brainwashed. I will tell you that the light is so strong, and it is going to become even stronger. It will force out many of the blockages that have been programmed into the brain. Some of you thought they would never awaken. You could be surprised when some begin to ask you what you know. They may even apologize, although it could be difficult for them, for how they have treated you.

On the Earth Council we are constantly observing humanity and all of life. The earth is ready to become her full new earth. She is your Earth Mother and wants to hold your hands as you become your higher dimensional selves. All evil and darkness due to the programming will be rooted out. You'll be standing with Mother Earth in Divine celebration of your freedom.

The divine feminine energy is blossoming like a flower. She is strong and sacred, nothing to be skipped over, and will make a huge stand for all of the children of the earth. The days of suffering are at an end. The wrongs will be righted and there will be a complete redistribution of resources for everyone.

You will no longer be torn down for any reason but will be lifted up into the light of your I AM presence, of your true self. In so doing you will be extremely powerful. Mother Earth is beginning to show her true force. Those who have tampered with her for their own financial gain will be quaking and shaking with the power of the light. They will vanish in the shadow of their darkness while unable to tolerate the light.

Please be vigilant. Pay attention if something doesn't feel right. These are turbulent times. Stand strong. Trust your guidance. Know the tricksters are trying to confuse you and to get you to doubt yourself. It doesn't matter because you will have the final say. You, the people, are taking your planet back. It doesn't matter what they want because they will no longer be on the earth. They will have no power over you. This is all a lie and falsity.

When this is over we will light a match to the garbage and say "Goodbye." Then, let the celebrations begin. Love will always lead the way. I am sending you all of my love from the Earth Council and from the Pleiadian High Council. We are with you! Mira.

While federal council pushes through compulsory vaccination: The Corona panic orchestra loses the beat

The german-Austrian panic orchestra from politics and the media comes out of sync. The narrative is shattered. Nevertheless, Austria's politicians are whipping through the vaccination obligation even in the last few meters. There are protests on the streets at the same time. And not by anyone: functionaries and members of the Green ruling party demonstrate against their own party leadership and the fatal law.

By *Waldo Holz**

The mayor of Vienna believes he has to "tighten up" further. The Green veteran Winfried Kretschmann, Prime Minister of Baden-Württemberg, reveals his authoritarian longings quite bluntly. Excluded would be "relaxations" until Easter. But at the same time, the german-Austrian political media panic orchestra is in dire need and quite out of sync.

Panic orchestra has problems

Clemens Heni summarizes on his blog on Thursday : *"The panic industry is breaking up. The ARD has to report that lockdowns have brought nothing at all, the mortality at or only with Corona has been reduced by 0.3 percent due to lockdowns. This is shown by a meta-study by Johns Hopkins University, which vehemently opposes lockdowns. Even the lockdown broadcaster ARD now has to concede this."*

Tkp reported on Wednesday on the meta-study, which Martin Sprenger has taken as an opportunity to finally demand "accountability" from those responsible.

The study is causing a stir in the German media landscape. A "comment in the previous lockdown and panic orchestra station WDR also has considerable doubts about the ongoing scaremongering in Germany ". There you suddenly warn: "Fear can paralyze us". The "Frankfurter Allgemeine" warns the day before of the "dangers of erroneous communication".

At the same time, the fear-mongers in Austria and Germany are isolating themselves more and more: Scandinavia is ending the political pandemic. In Switzerland, a "Freedom Day" will be more realistic, and England and Scotland will also have enough. Clemens Heni summarizes:

"We know how relatively harmless Corona is and how absolutely catastrophic the lockdowns, mask madness and vaccine apartheid are. Theatres were closed, libraries, restaurants and schools were closed and tens of millions of people in Germany alone were psychologically, socially and physically damaged as much as had never happened before in the history of the FrG. And now the restrictions are falling in Denmark, England, Scotland, in Florida in September 2020 (!) the mask requirement was suspended and Florida is still in a better position today in terms of the deaths on or only with Corona, as the totally fanatical witness Coronas State of New York (Florida 3039 dead/1 million residents, New York 3368, which is more than twice as many deaths as Sweden had to register in the corona crisis – the only country in Europe, where there was never a mask requirement and never a lockdown)."

The Joe Rogan Problem

Heni also points to the international excitement surrounding podcaster Joe Rogan. This allows himself on Spotify to question the narrative. Joe Biden's spokeswoman Jen Paksi called on Spotify at her last press appearance at the White House to censor Rogan more. Spotify is a Swedish company, the White House calls for censorship. What do the media and "fact checkers" do? The scandal is not the statement from Washington, but Joe Rogan.

The ARD "fact finder" Patrick Gensing says: "In the pandemic, Rogan has increasingly become a star of anti-vaccinationists. For example, he treated his corona infection with the horse deworming agent ivermectin – which is in line with other alleged miracle cures that experts urgently warn against."

But the panic orchestra is now having a hard time. Around the same time, Reuters published the study results of the Japanese pharmaceutical company Kowa Co Ltd of a phase III study of ivermectin. "Reuters" then rowed back a little later, saying it was a preclinical study. A link to Kowa's original press release was missing. The press release clearly speaks of a "Phase III" study. There are now enough studies on the effect of ivermectin anyway. Primarily from countries of the global South, but also from Japan or the USA. A study from Florida speaks of 91 clinical trials from 27 countries.

Kowa's press release proves that it was a phase III study.

Not only Bangladesh, Egypt, Belize, Brazil, Mexico, Peru, USA and South Africa use ivermectin, but also Bulgaria, the Czech Republic and Slovakia. It is also "Western capitalist ignorance" that explains the campaign against ivermectin, Heni said. The people in the global South have always been indifferent to the West. The lockdown damage of hundreds of millions of additional starving people, and several tens of millions more starvation deaths, is simply ignored.

Compulsory vaccination is being pushed through

The panic orchestra loses its beat – there is no denying that. Politicians in Austria, however, continue to cling firmly to the narrative. Today, compulsory vaccination is being whipped up by the Federal Council. Tomorrow Van der Bellen will sign. "Der Standard" seems to be unable to wait for the law any more. Today, there is an open

call to report unvaccinated fellow human beings. One demands unabashed denunciation in the former liberal quality newspaper.

While the law is being pushed through, protest actions are taking place in Vienna. Namely from the group "Greens against 2G and compulsory vaccination". Party officials of a governing party demonstrate against their own party. Not just anything. At the political level, too, the panic orchestra is getting out of sync.

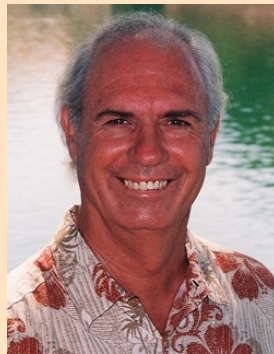

On a legal level anyway: A list of questions of the Constitutional Court lies with Mückstein and the Vienna Administrative Court freed the convalescents from the state arbitrariness. It's been easier for the panic industry.
