

You Will Ascend

The Pleiadians through Sylvia Bucek
Published in Sedona Journal of Emergence - April 2022

A hallowed reality that Spirit can see is miraculously coming into being. At first glance, it appears to be a vision of a glorious future world made out of living light, and you can feel the living light. It is pure love. It is heaven. There are no words for the joy. It is a prelude to the grand awakening that awaits you, but in truth, you were never really anywhere else except unconscious of being here.

As a human being, you are predisposed to experience a consensus reality in which it is possible to lose sight of the natural world and become lost in a collective unconscious similar to a mass hallucination controlled by a master hypnotist, but as a human soul, you can override it.

Presently, the soul collective is coming full circle back to your roots on the living planet. This is your motherland in which everything is gloriously alive and joyously connected to the conscious, cosmic life force that pervades all things from the smallest micro level to the macrocosmic whole.

Every living being has its unique love story to tell. The flower tells a story about living underground and emerging in a new world above ground; the caterpillar and the butterfly share a fascinating story about the nature of one's duality, as does the tadpole that grows into its amphibious nature and sheds light on two worlds merging into one. It could be a story of three worlds, if you count the fantasy world in which the pollywog grows into the frog prince to shed light on the magical world of the human imagination with its infinite potential for storytelling.

The collective story is about an enchanted place of miraculous transformations in which time warping and awesome transfiguration are no more unusual than shape-shifting and traveling to other worlds, some of which have absolutely nothing to do with the magic of life and are performed on the living stage where the drama of world affairs is currently raging.

Your DNA Is Encoded with the Journey

Humanity's dark history has come full circle, back to its origin in darkness, and the dark forces that are hell-bent on generating the fear-based energy needed to power the nightmare of the past are desperately scheming to keep you in the dark, but their efforts are to no avail. Their

plan has already failed. Human nature is through letting itself be manipulated and drawn into the fray. Common sense prevails. You have your freedom convoy.

The dark forces will find themselves in control of an illusory reality, whereas you are going into the light. The living planet and all its living beings are ascending. Inherent in your nature is the ability to transcend the lower self and ascend to a higher state of consciousness. Your DNA is encoded with the journey. You need only open to receive the download according to the divine human blueprint that is now being unveiled.

In your mind's eye, you may have seen the download coming to you at lightning speed, knowing it is the connection to your higher self and that the connection is made in the blink of an eye. However, the part of you that must process the information and decode it to fit into linear time has been receiving it one frame of mind at a time until now.

The last frame of mind would seem impossible to the finite self in that it sees you navigating the stargate that takes a shortcut through the space between living and dying and exits in a new dimension of life here on Earth. The journey is executed through consciousness technologies that belong to the mind of God and are your birthright.

Your Support from the Blue Team

Archangel Gabriel via Shelley Young - April 13, 2022

Published at Voyages of Light

By this point, you understand that both ebbs and flows serve you and create an overall system of balance; but we understand there are challenges with each phase. Did you know there are beings specific to each phase you can call on to assist you to harness the benefits and to ease any discomforts? We like to refer to them as the blue team.

The blue team consists of Mother Mary and Archangel Michael. Both are associated with the color blue ~ Mother Mary, with the lighter blue of the heavens, and Archangel Michael with a darker, more grounded blue. Isn't it interesting that blue is also representative of the flow of water, which symbolizes the flow of your journey?

Mother Mary is the ideal being to call on to assist you during lull phases. Lulls give you space

to process emotions, to integrate, to release, to rest, to heal. Mother Mary's unconditional love and soothing energy offers gentle guidance and reassurance to help you navigate a lull.

Archangel Michael is the ideal being to call upon during an action phase. Not only will he help clear the path forward for you, he will help you feel protected and find your courage to step fully into embracing the new. He will guide you seamlessly through the fastest, choppiest energies that make it difficult to keep your bearings. His great strength and sense of adventure are ideal to help you navigate a time of accelerated flow.

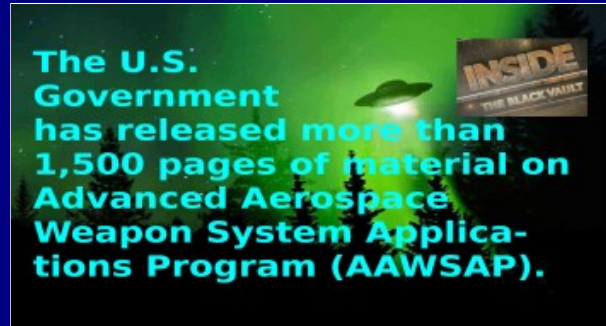

Do you see? Yet again you have everything you could possibly need to get the most out of every single phase you could experience. All you must do is be willing to ask for the assistance and accept the love and guidance. The supports are always in place for you to assure your success.

Khazarian mafia leaders being systematically rounded up

*Benjamin Fulford Report - April 11, 2022
BenjaminFulford.net*

The world revolution against the Khazarian mafia is accelerating with the systematic round-up of top KM agents worldwide. At the same time, the KM is trying to shut down the internet, cause a starvation crisis and promote a fake alien invasion as it fights to survive.

Let us start with a look at all the prominent US and Western power brokers who have recently “tested positive for Covid” ie been arrested: Prince Charles, Nancy Pelosi, Attorney General Merrick Garland, Christine Lagarde – President of the European Central Bank & puppet head at the IMF (International Monetary Fund), Hillary Clinton, Barack Obama, CIA Director William Burns, Debbie Wasserman Shultz, Adam Schiff, Jen Psaki, Kamala Harris’ husband Doug Emhoff, Washington DC mayor Muriel Bowser.

“Funny how certain people all come down with COVID at the same time,” a Mossad source comments. This is a clear sign the Rothschild/Rockefeller group staging the fake Biden presidency psy-ops are being removed.

There is also a huge fight going on about Hunter Biden and his incriminating laptop. This laptop campaign is being run out of Switzerland and being resisted by the Rockefeller clique in the US. CIA sources say “Hunter Biden was overdosed 5 months ago and is out of the picture.” This means that they have nobody to put on trial which is how the Democrats will try to prevent the evidence from going on the record. It is a last battle by the cabal.

At the same time, we are now seeing concrete legal action to overturn the stolen election that put that entire nightmare regime in place. For example, the Arizona Attorney General has publicly stated “Fraud was committed” in the 2020 election. Now justice must be served.

<https://benjaminfulford.net/wp-content/uploads/2022/04/arizona-election.jpeg>

However, it does not necessarily mean Donald Trump will be reinstated as US President, CIA sources note. That is because the “Trump” now appearing in public is an actor and it is not clear if the real Trump is still with us.

More likely is that Joe Biden will go down in history as the last president of the United States and that the country will be replaced by something better with a true American hero at its head. Events will make this clear sooner rather than later.

Of course, the KM are fighting tooth and nail for their very survival and are making increasingly dire threats. Klaus Schwab Rothschild of the Covid pushing World Economic Forum paints a “frightening scenario of a comprehensive cyber-attack which would bring to a complete halt to the power supply, transportation, hospitals and our societies as a whole. The Covid crisis would be seen in this respect as a small disturbance in comparison.”

[Klaus Schwab_ Cyberattack Worse than COVID-19 Crisis – Power Grid Down, Banking Offline \(odysee.com\)](#)

There is now extensive evidence the KM is trying very hard to engineer a world food shortage as well.

<https://www.zerohedge.com/geopolitical/20-facts-about-emerging-global-food-shortage-should-chill-you-core>

<https://apnews.com/article/russia-ukraine-business-health-europe-united-nations-fe2cc912195478f0dd861e6252c8f3b3>

The KM is also still trying to manipulate world public opinion with mass murder events they blame on others. For example, German intelligence warned us that large amounts of foreign mercenaries in Odessa dressed in Russian army uniforms are planning a massive terror attack to blame on Russia.

The Russian Tass News Agency agrees saying “Kyiv is plotting, with the West’s support, provocations with the massacre of civilians to place the blame for it on the Russian military.

<https://tass.com/defense/1435463>

The planned mass murder event will try to distract public attention from the horrors (torturing children slaves to harvest adrenochrome etc.) being exposed at the massive underground base in Mariupol, CIA sources say.

In any case, on the ground reporters who actually do their job and check facts are finding all the terror attacks against civilians are originating from the Ukrainian side. This missile attack blamed on Russia, for example, has been proven to be Ukrainian. “The Satanic KM cabal are going for broke. They don’t know any other way,” a Mossad source warns.

<https://benjaminfulford.net/wp-content/uploads/2022/04/ukebomb3.jpeg>

<https://benjaminfulford.net/wp-content/uploads/2022/04/ukebomb2.jpeg>

We also saw last week what looked like a desperate attempt to resurrect Barack Obama as an anti-dote to the malfunctioning and widely despised Biden. Of course, even bringing Obama back as the US presidential avatar will not change the fact this regime is now an international pariah. For example, the rulers of former US puppet states Saudi Arabia and Abu Dhabi have refused to welcome a Biden visit or even take his phone calls.

<https://www.debka.com/oil-gulf-states-pivot-toward-china-amid-sharpening-standoff-with-us/>

Mexico is also cutting its ties with the fake Biden regime. Mexican intelligence also sent us a detailed report on their view of the United States and their Cocaine Importing Agency (CIA). This document offers a very different view of history than what we have been taught. For example, it claims that US President Franklin Roosevelt and Russian dictator Joseph Stalin plotted since the 1930’s to conquer the planet earth. It says Stalin and Roosevelt planned to invade Germany, France and Italy long before WWII started, They also intended to take over the British empire, China and the rest of the world.

<https://benjaminfulford.net/wp-content/uploads/2022/04/Mexican-Doc-Map.png>

Microsoft Word - GM-ME-220404.docx (benjaminfulford.net) (This document is in Spanish. To translate it into your native language, go here: [A Brief History of Anglo-Saxon Drug Trafficking including U.S. and CIA Involvement \(blissfulvisions.com\)](#))

The Mexicans conclude “the United States is the most dangerous narcotics trafficking and terrorist organization in the history of the human race.” (This Spanish language document has been posted in full for those who want the details).

We got partial confirmation of this from a CIA source who admits Russia and the United States have been allies since the time of President Lincoln (elected November 6, 1860).

http://american_almanac.tripod.com/russcwar.htm

The Mexicans say the British Royal family caught wind of this plan and bought off the Americans by offering them control of their global opium and drug business. That is how the CIA became the worlds' largest drug-dealing operation, they say

The British Royal Family, by the way, has already apologized to the Asians for the criminal opium wars and is now working with the Asian secret societies to make a better world. The KM controlled part of the CIA meanwhile, is fighting desperately to keep its opium business in Afghanistan running by trying to overthrow the government of Pakistan, They used the same playbook they used to take over the Federal Reserve Board in 1913, a midnight vote by bribed politicians to overthrow Prime Minister Imran Khan, Of course, the ground was prepared beforehand with economic sabotage. KM pharmaceutical honcho Bill Gates clearly played a key role in this move.

<https://tribune.com.pk/story/2351152/bill-gates-seeks-to-bolster-ties-with-pakistan-on-shared-interests>

However, massive demonstrations throughout the country make it clear the fight is far from over. Also, in a sign a crackdown on bribed politicians is imminent, Pakistan's Federal Investigation Agency says public leaders will need a no-objection certificate if they wish to travel.

<https://www.khaleejtimes.com/asia/pakistan-government-officials-not-allowed-to-leave-country-amid-political-crisis>

In any case, the attempt to install a KM friendly regime in Pakistan is part of a desperate and doomed attempt to turn the tide around the world.

The world leaders still allied to the KM can now be counted on one hand: Justin Trudeau of Canada, Emmanuel Macron of France, Fumio Kishida of Japan, Boris Johnson of the UK and Vladimir Zelensky of Ukraine.

Of course, there are still plenty of pseudo-leaders who have been bribed with Vatican bank accounts to support the entire phony KM “Global” architecture. The letter at this link, for example, shows a list of US politicians and their Vatican bank holdings.

<http://www.tomheneghanbriefings.com/48273126-Falcon-2-2.pdf>

Most of the so-called leaders voting at the UN have similar bribe accounts. MI6 says the UN is a privately owned company based in California and is not a real representative of the people of the world.

The Russians agree. *There is no doubt that with the launch of Russia's special operation in Ukraine a whole historical era came to an end. Amid the growing confrontation between the leading actors a new watershed between the East and the West is emerging,* Belarusian President Alexander Lukashenko said.

<https://tass.com/world/1433923>

The current unprecedented sanctions against Russia will cause the further collapse of all international institutions...above all the UN, Deputy Chairman of the Russian Security Council Dmitry Medvedev agrees.

<https://tass.com/world/1434967>

Of course, the struggle is not yet over.

For example, there appears to be a serious attempt going on in China to overthrow the government. This is being seen most in Shanghai. Here is information sent to us about this by CIA East Asia: According to an “expert” from the Chinese Centers for Disease Control and Prevention (CDC), Shanghai’s new lockdown protocols are destroying the city and pushing it “to the brink of collapse.”

The PCR testing scheme alone is creating mass chaos as nobody seems to know what they are doing or why. The Shanghai CDC had to issue a notice demanding that staff members answer public inquiries “in line with the policy” because of conflicting information.

Area residents are complaining about their test results as well, which are coming in “negative” on their mobile phones but “positive” from the CDC. There does not appear to be any rhyme or reason as to why the results are inconsistent.

<https://newstarget.com/2022-04-06-shanghai-covid-lockdown-pushes-city-in-shambles.html>

This has all the hallmarks of a P2 freemason ordo ab chao (order from chaos) move to create a revolution by making the people so uncomfortable they have no choice but to overthrow the authorities.

The KM is also going to use their old tactic of being nice and presenting benevolent shepherds in order to calm the sheeple down.

We note, for example, an ongoing attempt to use Elon Musk and his takeover of Twitter as a way to create controlled opposition and a new narrative. The problem is even if Elon buys 9% of Twitter, the rest is still controlled by Rockefeller/Rothschild fronts.

<https://benjaminfulford.net/wp-content/uploads/2022/04/tesla-fakery.jpeg>

Finally this week, we are getting more and more signs that operation Bluebeam is moving into high gear. On this front, the Pentagon released 1,500 pages of secret documents about the shadowy UFO program. It says, among other things, that encounters with UFOs have left Americans suffering from radiation burns, brain and nervous system damage, and even “unaccounted for pregnancy.”

<https://www.the-sun.com/news/5053632/us-government-releases-1500-pages-secret-documents-ufo-programme/>

<https://www.livescience.com/ufo-report-human-biological-injuries>

There are also more and more weird UFO sightings. For example, a US secret space program source sent us this video with the comment: “Hi there, these are the Arcturians & the Sirians! They have these kinds of lightships that can go to the bottom of the sea & out into space in a matter of seconds, as we would calculate time!”

https://benjaminfulford.net/wp-content/uploads/2022/04/blue-beam.mp4?_=8

Meanwhile, a source at the Thule Airbase in Greenland (The Mexicans say the US seized Greenland from Denmark in the 1930’s) offered us an explanation for the bizarre incident Lazy Mountain, Alaska: <https://mustreadalaska.com/contrails/>

“This was an inter-dimensional ship that entered into our 3D world. It was an invasion by off-world controllers. It was taken out by the US Space Force at Thule. The US military has the area contained. Nobody is allowed near the crash site.”

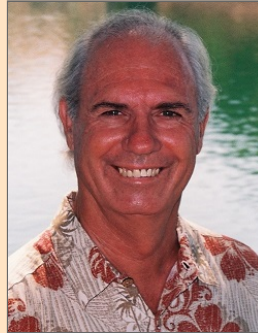

Meanwhile, this explanation was put out for the sheeple: “According to the Department of Public Safety, the spectacle in the sky on Thursday morning over Lazy Mountain was a unique

combination of contrails from a passing jet, atmospheric conditions, and the rising sun. Photos circulated on social media, as people in the Mat-Su Valley wondered about what appeared to be a strange trail of smoke with dark portions that appeared to be debris from something.”

Nothing to see here folks. Keep moving forward. Just like the Roswell incident back in 1947. It was just a weather balloon.
