

Working in Unity with Mother Earth

Mother Earth via Pamela Kribbe - June 15, 2022

Published at Voyages of Light

Dearly beloved humanity, I greet you heartily. I am your mother, the Earth, and I celebrate your presence here with me.

I encompass you all. Feel my presence as a consciousness that permeates all that lives on Earth. That consciousness is in you and in all that is around you: the minerals, the plants, the animals. I am in everything that lives. All that has taken material form is quickened and enlivened by consciousness from within, and I live in that consciousness and support it.

I am that constant, grounding presence which underlies all things and which allows the soul consciousness in each mineral, plant, animal, and human to develop. I am the mother who gives life to each and every form of consciousness. In the end, everything, each material particle or form, is kept alive by consciousness. And in my essence, I am also that consciousness. What can be perceived is matter, the material form, but it is the consciousness that underlies matter which is the essence of all forms.

About this consciousness which I am, I want to tell you something more. I am a female consciousness. I am fluid and flowing, and I know no limitations. And since I am the soul behind all life on Earth, there is a stream of unity that runs through everything – and I am it. Opposite to that unity is every unique individual soul. And because you are a unique individual, there is a dance between us, as between all individuals and the one current that I am. But that dance only works, is only creative and productive, if individual souls are aware of their connection with me. It is as with a great river: you can only relax and flow with it if you know you are part of that river, if you can feel that current and trust it.

But most people in your society are at odds with the flow of life that I am. They do not trust this current: they resist it, try to climb out of it, hang on to the river banks, because they feel that this current is turbulent and uncontrollable. This current is, in fact, the flow of your earthly nature: your feelings, your instincts, your passion, and people have not been taught to trust their nature. There is a great mistrust arising in people of their earthly nature, as well as a suspicion of the flowing life current of the Earth, in general.

The result of this mistrust is that the fundamental layer that I am, and that I might become for humanity, is not explored, or is not sufficiently explored. It is as if I am waiting to enter into a dance with you, but humans, in general, have turned away from me by trying to create their life independent of me. Above all, they want to be the master of life by using the mental energy of their head instead of moving along with that current of life which is natural and easy and fluid –

if you do not resist it.

But because people collectively, and on a large scale, have turned their backs on the living flow that permeates everything, things are not going well on Earth. A gap has developed between humans and nature that has caused the destruction of large parts of nature in the plant and animal kingdoms. In addition, there is the devastation to the inner world of people themselves: they become depressed and unsettled if they can no longer find their own connection to the power of the Earth.

So why do I say this to you? Because you who are here are aware of the importance of the relationship with the Earth, and you also understand that I have consciousness, that I am not just dead matter. Only when people get in touch with me, and their own energy begins to flow from within – their creativity, their self-confidence, their surrender to life – can I then fulfill my task. Only then can I nourish and support you so that the dance between humans and Earth can finally take place and take form: a creative dance from which all life benefits, myself included.

You are essentially channels that help shape a new energy, a new unity between humans and Earth, a new consciousness. I want you to be aware of your own qualities as they relate to this process. But sometimes you doubt yourself very much, and that partially blocks the channel even if you are actually already quite advanced in this process. However, you are not required to be perfect. You are not required to have all your problems solved in order to get in touch with me and to contribute something to the greater picture at a universal level, and not only at the level of the individual.

I ask you to now connect consciously to my heart. Imagine that under your feet you have roots that penetrate deep into my core, into my heart. Feel how you are supported by me and how I encourage you to surrender to this life and to trust me. Life in the human world, in society with all its rules and standards, and with the many fears that have been imprinted upon you as a child, that societal life has aroused fear in you and made a certain gap between your head and life itself. It is difficult for you to surrender to your heart, your feelings, your intuition. But it is possible, and as soon as you consciously connect with me, can I then help you; can you then feel how my energy flows through your legs from the roots under your feet.

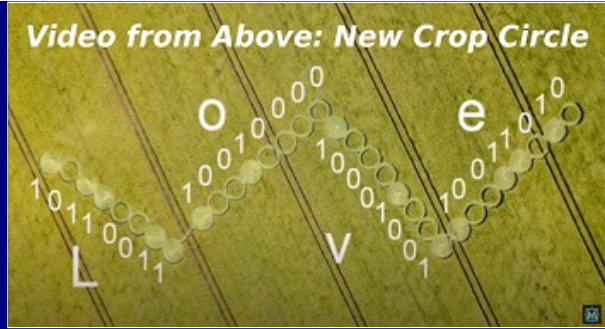

Imagine that you are floating on your back on a big wide river and that you allow yourself to drift and you feel calm. It is safe, although you do not see where you are going. Imagine this in a very real way. You are adrift on that great river, and you look at the sky and feel and hear the sounds of nature around you. Feel how I carry you, and simply let go of the thoughts in your head.

Descend into your abdomen. In your gut lives an instinctual sense of what is true. It is from your gut that you can instantly know or feel something even before you have given it thought. That is the level you are looking for and it is that which makes you free: feeling without thinking. Connect silently with that place in your abdomen. Breathe into it and feel how the channel that you are, opens.

With purity, with stillness and silence, feel what your contribution is on Earth, what you have to give to humanity and to nature. Feel the energy of your unique gifts and trust that energy, and trust the feeling that comes with it. You came here to bring a flow that connects your unique soul with that of the Earth, with me, and it is in that still connecting point where our destinies meet and where we work together. I will receive your soulfulness and inspiration, and you in turn will receive my support and nourishment and my grounding in strength and security. This is what I want to be for you. Thank you so much for your presence here and now.

***In Final Victory for Hippy Generation,
Western Policy Will Become "Make Love Not War"***

Benjamin Fulford Report - June 13, 2022

The world is going through a fundamental shift as the Western world is being cured of its Satanic infection. The result will be an unprecedented era of world peace and prosperity. This

will be the legacy of the “make love not war,” hippy generation.

However, before this new age can start, some final housecleaning is being done. This can be seen in the international isolation and financial collapse of the fake Joe Biden regime in the United States. The collapse is accelerating as the Khazarian mafia “Biden” regime falls into pariah status.

As an example, last week the Biden avatar called a summit of the “Americas” only to be boycotted by the majority of states in the region. Cuba, Venezuela, Nicaragua, Mexico, Guatemala, Honduras, El Salvador, Uruguay and Bolivia were among the countries to boycott the meeting. Leaders of countries that did attend, like Argentina and Belize, took the opportunity to criticize “Biden.”

The rest of the world, including Africa, the Middle East, Asia (except for the Japanese and South Korean slave states), and a large part of Europe is also shunning the openly criminal US Corporate government. That is why an international boycott against it is causing an economic free-fall there.

Before we go further into the boycott of the US Corporation, let us look at the Iberoamerican revolt against it because huge and under-reported events are taking place in Latin America. “What I can say with some certainty is that there is a general feeling of disgust here towards what the Jews [Khazarian mafia] have turned Anglosaxony into, and more generally, the West, including parts of our own countries,” says a source who claims to have just finished extensive talks with Portuguese and Spanish power brokers.

That is why the Russians have begun stationing troops and warplanes in Latin America as a move to counter Nato incursions on its own borders, other sources say. This news item, for example, confirms that Nicaraguan President Daniel Ortega has invited Russia to deploy its armed forces in the country “for humanitarian purposes,”

Our sources in Mexican US military intelligence say the troops are already there along with a contingent of Chinese special forces.

<https://www.riotimesonline.com/brazil-news/modern-day-censorship/nicaraguas-ortega-invited-russian-armed-forces-to-enter-his-country-in-the-second-half-of-2022/>

This revolt against the US Corporation is why Iberoamerican narcotics gangs have stopped supplying adrenochrome to the Western elites. They have now taken action. Last week Mexican police arrested a “Nelson N” the alleged head of an international gang of pedophiles. “Nelson” was inexplicably released by Dutch authorities despite being found in 2020 with over 10,000 pornographic images of infants and children.

[Holandés, presunto líder de un grupo internacional de pedófilos, es detenido en CdMx – SinEmbargo MX](#)

What the Spanish article linked above fails to mention is that hundreds of naked children, each bearing an identification number, were freed during the arrest of “Nelson,” according to Mexican intelligence sources.

CIA sources for their part reminded us that at his trial Sinaloa Cartel boss Joaquin “El Chapo” Guzman, “stated in court that Comex helped launder \$150 million in cartel money for [US House Speaker Nancy] Pelosi.” It appears only those who were at the trial are aware of this, the CIA source notes.

The Mexican sources also told us the Mexican drug cartels are all united at the higher levels and are ruled over by a single individual, a Mexican national who sits one rank above the publicly-known cartel bosses. This unidentified person, Mexico’s most powerful, is taking orders over the phone from a Greek individual in Greece, they add, This Greek individual in

turn reports to the Orthodox Church people who also control the avatar of Vladimir Putin, Russian FSB sources say.

Once the North Americans are liberated from the KM, the Iberoamerican sources say they welcome the idea of creating a super-state uniting North and South America. Reflecting this, Mexican President Andrés Manuel López Obrador called for just such a thing at a Press conference saying “The option is [continentall] transformation and you have to dare to do it. And you don’t have to keep thinking about the next election, you have to think about the next generation.”

<https://www.breitbart.com/latin-america/2022/06/06/mexican-president-calls-for-american-superstate-open-borders/>

Getting back to the Russians, we were sent evidence last week by Mossad that the original Russian President Vladimir Vladimirovich Putin was arrested “for the theft of state property on a large scale, financial fraud, abuse of authority, preparation of an act of terror to intimidate the population and influence the government.” As proof, they provided us with the video of his trial posted below. This Mossad says, this a video of the trial of “former Prime Minister Putin” that took place in 2010. The Putin we now see is an avatar working for the alliance, the sources say. https://benjaminfulford.net/wp-content/uploads/2022/06/putin-arrest.mp4?_=1

In Europe, the alliance is close to finishing off the KM crime state known as Ukraine. The Bundesnachrichtendienst (BND), Germany’s foreign intelligence agency, now predicts Ukrainian resistance could even be broken in the next four to five weeks.

<https://www.spiegel.de/international/germany/olaf-scholz-and-ukraine-why-has-germany-been-so-slow-to-deliver-weapons-a-7cc8397b-2448-49e6-afa5-00311c8fedce-amp>

The fall of Ukraine is likely to be accompanied by the collapse of KM rule in the West. Polish intelligence sent us the following report on moves to dismantle the KM control nexus in the West: The collapse of banks around the world is imminent. It is a heavy blow for The Bauer family, which is also the Rothschild banking family. A few days ago, the Federal Reserve Board in Washington was fenced off and locked. Four days ago, the federal police entered Deutsche Bank and shut it down. The same thing happened at the Bank of England. Almost all banks nowadays are monitored and controlled by the judicial police. A “Black Swan Event” is coming.

The money donated by the Rothschild family to their agents Soros and Rockefeller was eventually discovered around the world. As a result, the Bilderberg Group and the Great Economic Reset of the Davos Forum have just been defeated. A major operation to clean up the corrupt money flows of the past 75 years is underway. This flow led to the manipulation of countries by corrupt political parties all bought off by the Rothschild family. Now corporate funds like Vanguard and BlackRock are in FREE collapse. All corporate CEOs are under investigation on quasi-military charges of treason and money laundering to foreign nations.

The Black Swan event is global in nature and is causing the biggest economic, financial and stock market crisis in history. They have all the evidence needed to put the CEOs of banks and other major corporations in prison for life. Their puppet presidents are falling ... There is evidence and witnesses of the infiltration of the leadership of 203 countries by the Bilderberg Group and Klaus’ World Economic Forum.

As a result of this police action along with the global boycott of the West, the Russian official Tass News agency says: The processes that will take place in the EU [and the US] in the coming 18 months will be similar to those that Russia went through in the early 1990s, with large population groups plummeting into poverty and governments canceling many social security benefits. Consequently, many everyday things – like having a cup of coffee in the morning – will become a luxury. <https://tass.com/pressreview/1459995>

Kim Dotcom just did the math to show the US had debt and unfunded liabilities worth \$259 trillion or \$2,067,000 per US Taxpayer. Even if you sold (which you couldn't) every piece of land, real estate, all savings, all companies, everything that all citizens, businesses, entities and the state own you would still have \$66 trillion in debt.

<https://twitter.com/KimDotcom/status/1533524778610348032>

The rest of the world is no longer going to foot the bill. This is why another group of eight nations – China, India, Russia, Indonesia, Brazil, Mexico, Iran and Turkey – has been established to lead the boycott. It is 24.4% ahead of the old group of developed countries in terms of GDP and purchasing power parity.

<https://tass.com/politics/1463865>

For example, in a clear sign Europe is being deliberately choked off from its energy supplies, last week US gas exports by Freeport LNG, one of the first and largest U.S. exporters of LNG, were stopped by a massive explosion

https://www.click2houston.com/news/local/2022/06/08/reports-of-explosion-at-lng-oil-and-gas-company-near-surfside-beach-police-say/?__vz=medium%3Dsharebar

This is definitely meant to make sure the EU has no alternative source of energy other than the non-Western world. The international boycott of the West means the US has been going through its strategic oil reserves at a rate of 7.3 million barrels per week. The reserve is now at its lowest level in 35 years and the pain has only just begun.

Crude stocks in the US Strategic Petroleum Reserve fall to the lowest level in 35 years – The Limited Times (newsrnd.com)

The fake Biden regime announced the May 2022 consumer price index was up 8.6% year on year for the highest jump in 40 years. However, if you use older methods for calculating CIP you find prices jumped 16.8%, the highest rate in 75 years. This is costing each American about **\$1000 per month extra. And, this is just the beginning as these price jumps show:** gas 141%, gasoline 91%, oil 61%, iron ore 45%, wheat 39%, nickel 39%, corn 30%, cotton 30%. No wonder 83% of Americans describe the state of the economy as poor or not so good, according to a Wall Street Journal-NORC Poll

https://benjaminfulford.net/wp-content/uploads/2022/06/Only-a-temporary-inflation-cycle.mp4?_2

As the Russians know, the hardship has only just begun. That is why authorities are planning a harsh Covid-style lockdown in the event of fuel shortages.

<https://www.breitbart.com/europe/2022/06/07/great-reset-state-planning-harsh-covid-style-lockdown-in-event-of-fuel-shortage-leak/>

Speaking of Covid. More and more revelations about the criminal nature of this scam are pouring out by the day. For example, as Robert F. Kennedy Jr. points out: "The CDC is not an independent agency. It is a vaccine company. The CDC owns over 20 vaccine patents. It sells about \$4.6 billion dollars of vaccines every year."

<https://benjaminfulford.net/wp-content/uploads/2022/06/cdc-is-vax-co.jpeg>

We are also now getting evidence the entire pandemic/vaccine scam was planned years in advance. Below you can watch the planners of this say: “So let’s create an emergency scenario by releasing a virus, make everyone panic and then we give them our experimental ‘vaccine’ so everyone becomes the guinea pigs and we don’t have to go through the usual long testing processes before approval.”

https://benjaminfulford.net/wp-content/uploads/2022/06/Lets-create-an-emergency-scenario-by-releasing-a-virus.mp4?_3

That’s how they “blew the system up”. Now the chickens are coming home to roost. Even the FDA admits: “Significantly Elevated Risks & Long-Term Effects — confirming deaths from Myocarditis as a result of the mRNA vaccines.

https://benjaminfulford.net/wp-content/uploads/2022/06/FDA-Q-A-June-2022.mp4?_4

<https://benjaminfulford.net/wp-content/uploads/2022/06/Just-a-coincidence-from-the-Jab.jpg>

The CDC also now admits evidence grows stronger for the Covid vaccine link to heart tissue damage.

<https://www.nbcnews.com/health/health-news/evidence-grows-stronger-covid-vaccine-link-heart-issue-cdc-says-n1270339>

We also see a huge jump in vaccine-induced heart inflammation in children

<https://benjaminfulford.net/wp-content/uploads/2022/06/Heart-disease-in-children-explodes.jpg>

<https://www.news-medical.net/news/20210913/The-rate-of-vaccine-induced-heart-inflammation-in-children.aspx>

There is so much more being written about vaccine damage elsewhere we will leave it at that. However, did you know the X files exposed the virus to the world in 2018 (My Struggle II Season 11 Episode 10-2018)? This means they were filming it in 2017 around the time the Covid tests were being prepared and distributed. How is it they already knew what was coming? Our readers all know, all of this was planned long ago.

https://benjaminfulford.net/wp-content/uploads/2022/06/The-X-files-reveals-the-virus-.mp4?_5

The vaccine crimes are just the tip of the iceberg. For example, Disney Channel actress China McClain confirms the entertainment industry has a Satanic agenda: “There’s a reason why you see people dressed up as Satan, upside-down crosses or pentagrams on their clothes. People think this stuff is just a game. It’s not.”

https://benjaminfulford.net/wp-content/uploads/2022/06/disney-actress-china-mcclain.mp4?_6

As a reminder, in 2016, FBI director James Comey was briefed on Hillary Clinton linked to child sex crimes based on evidence found on Anthony Weiner’s laptop. The 2018 IG Report also cited Clinton Foundation and crimes against children. NYPD sources said these new emails include evidence linking Clinton herself and associates to: Money laundering, Child exploitation, Sex crimes with minors (children), Perjury, Pay to play through Clinton Foundation Obstruction of justice, Other felony crimes.

<https://truepundit.com/ig-report-confirms-true-pundit-bombshell-on-hillarys-emails-details-comey-was-briefed-on-clinton-linked-sex-crimes-against-children-evidence-on-weiner-laptop/>

Now take a look at this Justin Castro pendant.

<https://benjaminfulford.net/wp-content/uploads/2022/06/Justin-Castros-Foundation.jpg>

The world will not rest until these criminals are rounded up and face public Nuremberg-style war crime tribunals. THIS WILL HAPPEN. When the criminal regime collapses, only then will there be a jubilee (debt write-off), a redistribution of assets and the launch of a new golden age.

Since we are on the subject of a new age, this week we will once again conclude with some project blue beam material. First, here you can see a nice clear video of a Northrop- Grumman

TR-3B anti-gravitational device.

https://benjaminfulford.net/wp-content/uploads/2022/06/Beautiful-clear-video-of-a-TR-3B.mp4?_=:7

Next, we note Native American prophecies said that in the days of great change we will see spider webs in the sky.

https://benjaminfulford.net/wp-content/uploads/2022/06/Spider-webs-in-the-sky.mp4?_=:8

Now take a look at a secret space program vehicle flying over Utah.

https://benjaminfulford.net/wp-content/uploads/2022/06/SSP-craft-flying-over-Utah-USA.mp4?_=:9

Then, we note NASA has posted a video showing a UFO parking on the International Space Station. <https://mystery.news-intact.com/ufo-docked-on-iss-then-nasa-stops-live-stream-after-realizing-the-situation-12710/>

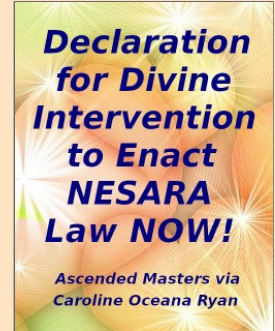

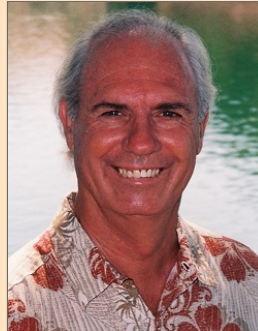

Last we show another photo of the crashed UFO uncovered in Antarctica.

<https://benjaminfulford.net/wp-content/uploads/2022/06/What-is-this-buried-in-the-snow-.jpg>

As usual, we find this space stuff fascinating but still not relevant to our daily lives. We can only hope that Northrop-Grumman and others will make the anti-gravity equivalent of a Volkswagen available to us all soon.
